In Another Man's Bed

About The Book

When Justine walks in on her husband with another woman, she flees their cabin, promising a swift divorce. Andrew pursues her in his car, intending to get his wife back. But when a deer crosses his path, his car goes over a cliff. Hours later, Justine is looking down at her comatose husband wondering how it ever came to this.

The doctor says Andrew's life signs are diminishing

day-by-day and there is no chance of recovery. Now, Justine is faced with the difficult choice about whether or not to pull the plug. And, if she does, is it because of his cheating ways, or because it's the humane thing to do? Should she keep the faith for his supportive mother that he'll come out of his coma?

Then, when an old flame resurfaces, should Justine follow her heart or her conscience? What would *you* do?

Listen to *The Crazy Howard McGhee Show* (WGCI, 107.5 fm) on Friday, February 9, 2007 at 9:00 a.m. to hear **Crazy Howard** and radio personality **Nikki Woods** discuss this hot topic during Crazy Howard's "Relationship Hour." Francis Ray will be in the studio to join the discussion during an interview Friday on this show.

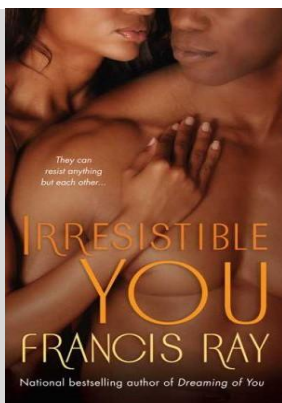

The question of the hour is based on Francis' novel and will be, *"You hold the power of life over death over your spouse who you caught cheating. Would you pull the plug or choose to let him/her live with hopes the spouse come out of the coma."*

Call in to **The Crazy Howard McGhee Show** on Friday, February 10 between the hours of 9:00 a.m. and 10:00 a.m. to voice *your* opinion. And make sure you attend the Between the

Pages book discussion and book signing with Francis Ray hosted by **Bonnie DeShong** at the DuSable Museum.

About The Book

Pierce Grayson is a marked man: if his mother, Ruth, has her way, his carefree single days will soon be over. But Pierce isn't going down without a fight. He's ready to take action against his mama's matchmaking. But what he's completely unprepared for is the feeling that hits him when he meets Broadway actress Sabra Raineau. She's in Santa Fe helping Ruth with a production at the University. With her luscious lips and long legs, Sabra is temptation personified—and Pierce isn't in the habit of resisting temptation.

With Hollywood calling and another play in the works, Sabra has no time for romance. And, after one heartbreak too many, she's happy to stay unattached. But Pierce has other ideas—the kind that can curl a girl's toes. Sabra's not above a little extracurricular activity, but she can't afford to risk her heart on anything serious. Still, the closer she gets to Pierce, the harder it is to deny him—and to keep a secret that could tear them apart.
